

Wiggle and Learn activities

Wiggle and Learn - Early Childhood Learning Resources is an early childhood educational resource filled with ideas, suggestions and opportunities for learning that focus on engaging children in experiences that extend and enrich learning.

This free resource is complimentary to other curriculum frameworks and can assist early childhood educators enhance the learning experiences offered in any early childhood setting.

Developed by The Wiggles in conjunction with early childhood educators, it is based on the principles and frameworks of current thought regarding early childhood learning and development and is in accord with the principles, practices and learning outcomes expressed in the Australian Early Years Learning Framework.

Your child care centre will gain access to information about common structures for full and half day programs, suggestions for planning, including planning weekly programs, and over 200 outdoor, indoor and group experiences.

There will be a Wiggle and Learn Award category for a centre that conducts activities from Wiggle and Learn - Early Childhood Learning Resources during Australian Child Care Week.

Why not organise a Wiggle and Learn day at your centre during Australian Child Care Week?

To be part of Wiggle and Learn, register for free at:
